NARRATIVE:

Jeffrey McKinney is a documented gang member with an extensive adult criminal history that began at the age of 18. His convictions include murder, assault with a deadly weapon causing great bodily injury, multiple cases of possession of a dangerous weapon, manufacturing and selling of dangerous weapons, resisting arrest, multiple cases of possession of controlled substances, metal knuckles violation, possession of drug paraphernalia and vandalism. He has served multiple incarcerations, the longest being a 13 year term for murder. McKinney was released from state prison to the supervision of the Los Angeles County Probation Department on October 30, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in April 2015 after he absconded from post release community supervision (PRCS). McKinney qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
